Account Manager:	Beau Puckeridge	Service Manager: Paul Jowett
Site Locations:	Ship Yard – Sydney Harbour	Value: \$500,000
Scope of Work	Complete electrical re-fit	Year Completed: 2008
Project Description:	<p>The “One and All” is a tall ship based in Adelaide. She is commonly used for sail training, offering courses and voyages that last from between a few hours to many weeks. One and All was built at North Haven as part of South Australia’s 150th jubilee project, and is based on a design of the “Postboy”.</p> <p>Between August and November 2008, she was in Sydney enjoying a complete re fit. O’Donnell Griffin was contracted to remove all existing electrical equipment and wiring. Once stripped, new wiring was installed and equipment reinstalled or replaced as required</p> <p>“We used ODG on the One and All, they were bloody good, did everything to the required codes, design, did all the drawings etc and the required reports for AMSA. Can handle most things electrical, including PLCs, control and high power, know the Marine rules and know the marine game, also respected by AMSA and Class.”</p> <p style="text-align: right;">Tony Fielding, Project Manager Teekay Marine.</p>
