

<b>Name:</b>	Bank of Queensland	<b>Location:</b>	National
<b>Contract:</b>	Maintenance	<b>Duration:</b>	2007 to present

**Description:** Bank of Queensland Australia has over 74 branches located throughout Australia. Haden’s National Key Accounts team provide the following services to branches and Head Office facilities.

- Routine preventative maintenance servicing in accordance with Haden’s standard servicing requirements and AS3666:1995.
- Non-routine call-outs.
- Capital unit replacements.
- Design and construct air conditioning systems for new branch locations.
- Asset capture and report recommendations.

**Environmental initiatives:** Haden have implemented sustainability measures on maintenance contracts including:

- using environmentally friendly consumable items for cleaning / maintenance
- correctly disposing and / or recycling redundant equipment.
- using technological innovations such as digital pen technology and online reporting to reduce paper usage
- managing work routes to minimise vehicle usage and impact on the environment.
