

Name:	Onkaparinga TAFE – Noarlunga Campus	Client:	DAIS
Specifying Authority:	Bassett Consulting Engineers	Site Location:	Noarlunga, South Australia
Value at Completion:	\$2.4 million	Year Completed:	April 2005

Project Description:

Haden’s contract with Onkaparinga TAFE involved the upgrade of Mechanical Services to existing (and operational) TAFE Campus, including:

- Installation of a new Chiller, Cooling Tower and associated pumps and pipework.
- Alterations to existing hot water pipework to suit new Air Handling Units.
- Upgrade and expansion of Building Management System.

Appointed as the head contractor, Haden managed and supervised all of the sub-contractors for:

- Building Works
- Electrical Services
- Fire Services.

Noarlunga Campus is one of Onkaparinga’s four campuses and is situated in one of the fastest growing regions in South Australia.

The TAFE facilities include information technology suites, a hair and beauty school, engineering workshops, building workshops, a music centre, hospitality training restaurant.

OHS Initiatives:

Haden’s award winning safety system ensures that all Haden employees and sub contractors were inducted into the OH&S procedures of the site.
