

**Name:** Prince of Wales Hospital - Randwick

**Client:** Prince of Wales Hospital

**Site Location:** Randwick, NSW

**Year Completed:** 2001/2002

**Value at Completion:** \$5.4 million

**Project Description:**

The Prince of Wales Hospital is the primary teaching hospital servicing the Eastern Sydney region.

Its clinical services include:

- Allied Health
- intensive care units
- cardiac services
- community and aged care
- medical imaging
- mental health
- neurological services
- oncology
- rehabilitation
- operating theatres
- consulting rooms.

In 2001 part of the hospital was redeveloped which resulted in the rearrangement of wards and an extension to the existing facility to house 150 new beds.

Haden were contracted to provide the construction of the HVAC & R to NSW Public Works design.
