

Name:	Visy Pulp and Paper	Client:	Visy
Year completed:	Ongoing maintenance and works	Site Location:	Wagga, NSW
Description:	<p>Haden have provided HVAC & R maintenance services and repairs to Visy Pulp & Paper’s Tumut site since opening the branch in Wagga in 2008.</p> <p>Manufacturing sites require a ‘mission critical’ level of service to ensure that maintenance or repairs do not impact on production schedules.</p> <p>Haden’s preventative maintenance programme schedules are devised to ensure planned maintenance and repairs are completed during downtime or outside peak production periods.</p> <p>In 2009 Visy Pulp and Paper opened a mirror image VPP10 to the existing VPP9 plant, doubling the volume of paper produced on site.</p> <p>Haden Wagga carried out the \$1.2 million project to supply and install air conditioning to the new plant over an 8 month period and now also maintains the new plant, which has doubled the maintenance contract at the site.</p>
